Mike –

Susan asked me to reach out to you and see if you have names for the 2 other volunteers?  
I already have Scott Hudson & Leroy Mickelsen.

Thanks,

Thank you all. Please plan to deploy your 2 for tomorrow. We will be getting out an email shortly. In the interim, Mike Adams from the REOC logistics will give you a call to follow up.

Thank you. Susan

Hi Susan and all,

Thanks to Mike for sending info to you quickly. We have updated information on ERT staff and at this time we have **two (2) who can travel tomorrow** to Houston. They are medically cleared, 40-hr H&S trained. We are waiting on a third person's availability and should hear about that later this evening or tomorrow morning.

Please let us know if you need the two identified above tomorrow and, if possible, who they should contact for logistical details on travel before they prepare their TAs.

Thank you,  
Marc

Susan –

I left you a vm indicating the following:

1. I Spoke with NCERT (Seidel) and ERT (Greenberg). NCERT's skill mix is being used for ESF #13 and #10 if force protection is needed. ERT is compiling a list of possible folks but will not have people identified until tomorrow.
2. CMAD can deploy two medically cleared, 40 Hr H&S trained people . Scott Hudson and Leroy Mickelsen as early as tomorrow if travel can be arranged for two weeks.
3. If you urgently need a third person from CMAD, until other resources can be identified and cleared for medical monitoring, I could head down as early as tomorrow depending on travel.

Please confirm that you need Leroy and Scott. I'll have them start preparing for deployment.

If you need me, again for as a stop gap until you can find other resources, please let me know.

Hope to hear from you soon. Call my mobile or email so that I can initiate support.

Cheers,

MIKE
